THE AMERICAN LEGION

J.W. MATHERS JR. POST 163 Volume 4 - Issue 1

MATHERS MEMBER LINK

August 2009

FROM THE COMMANDER

As your new Commander again for 2009-2010 I have a few goals I would like to see achieved during my new term. With the help of the Auxiliary and the Sons of the American Legion, I am positive that Post 163 will move forward and all of us will be the best in the 12th District. Now is the time to start our programs for the upcoming year, please don't wait until the last minute. It takes involvement at Post meetings for a Post to have a prosperous year, so please come out to our Post meetings and bring your suggestions that will make us a better Post.

We all had a great time at the convention and learned a lot about American Legion programs, sorry that some of you missed it. The installation of new officers was great, another important event for us. Thank you to the 12th District Legion and Auxiliary staff for doing another great job.

Membership is very important to the American Legion. Let's do something different and be the first Post to reach 100% in the 12th District and give our new 1st Vice Commander "Boomer" something to do and get those dues paid.

I will be needing new bids on the contracts of janitorial and yard services before the next general membership meeting. As always please remember our troops that are fighting to protect our freedom.

GOD BLESS AMERICA.

For God and Country,

Wayne O. Smith
